

Build-a-Werewolf

MVP Progress Report

Prepared for Alexander Perez • 2026-02-26 (EST)

Status: In Progress

Progress Breakdown

Project scaffold (Next.js + TS + Firebase wiring)

Meet add-on integration (side panel + main stage runtime context)

Firestore data layer + required schema helpers

Lobby + host controls

Roles, secrecy enforcement, wolves-only features

Night/day/vote/resolve loop + win logic

Theme editor + Firebase Storage uploads + live updates

Tests + docs + private deployment guide
